Respected Sister,

My son/daughter \_\_\_\_\_

reading in std-X, Sec: \_\_\_\_\_, in your school. Owing to COVID-19 pandemic, all schools had been closed from March, 2020 by the Govt. But now, we become happy to know that physical classes for Std-X, will be conducted from 11<sup>th</sup> Jan, 2021, Monday with SOP. We know the pandemic is far from over and we have to be on our guard owing to the new UK strain.

Therefore, I express my willingness to **send my child to school** strictly following the mask manners, respiratory etiquettes and social distancing. I don't have any objections regarding the matter. Further, my child has no symptoms of cold, cough & fever.

Yours faithfully,
